Please bear in mind that the Feather Flags are weather resistant and available for use at all sponsored Town of Cochrane Events. Logos (eps format) must be supplied to the committee by July 1, 2015, to ensure your promo item's prompt arrival. Your business can keep the 2'x2' alupanel sign to promote your sponsorship, we will however keep the larger 16"x4' sign for use at future Summerfest Events, if you so choose to renew your support.*
